

Sea Urchins Odyssey

Journey in to the incredible depths of the ocean with the Sea Urchins Odyssey!

Driven by a deep passion for nature and the oceans, the Sea Urchins team aim to educate, amaze and inspire children of all ages to love the oceans and to learn more about the wonder of life beneath the waves. Using immersive learning, games and challenges and plenty of interactive involvement, a visit from Sea Urchins Odyssey promises to deliver an unforgettable educational experience for your students.

Build your own Odyssey

Sessions are suitable for ages 6 – 11 and based on curricular topics but can easily be tailored to suit your individual learning needs. No group is the same and subject opportunities are boundless so please get in touch and let us know what you are teaching, and how we can help.

See you soon!
